In fact, in the TV drama Chu Qiao, although Chu Qiao is a female slave. However, many people are still amazed by the eyes of Zhao Liying, who is in a state of perseverance in the TV series. Recently, the more horrible Yankee actor Dou Yu is also very good at interpretation. In recent episodes, the shrill voice is also very impressive. The Zhao Liying team also recently published Weibo, which wrote in Weibo: "Yesterday's serious face has made you today, and you have no Chu Qiao later." It seems that the chance of the second Zhao Liying is not big.

Zhao Liying can be described as one person picking up the "Chu Qiao Chuan" ratings

Zhao Liying said in an interview that she originally planned to shoot the whole department, but the director only took half of it this time (there were three original novels, the director only took one and a half), and felt very sorry.

Although Zhao Liying explained why she couldn't take the show, it seems that Zhao Liying has been unable to withdraw from the sequel in the short term. According to the network, Zhao Liying is preparing for the filming of "Ming Lan Chuan" and "Knowledge".

According to some news, Zhao Liying is still preparing to contact the big screen for 18 years. The itinerary is indeed in a hurry.

Zhao Liying's studio sent a microblog, saying, "Your serious face made you today, you have no Chu Joe." Suspected to be because the second part of the director group started to change Zhao Liying.

However, the microblog was deleted immediately. It seems that there are ninety-nine things in the chase of Chucho 2. From the voice of the Internet, Angelababy has the loudest voice, and everyone knows that the strength of the baby is very strong. It is not a problem to win this role.

Chu Qiao has a second one, when will it start shooting?

The actor Lin update is currently unable to confirm whether to take the second part because of the problem of the schedule. It only means that he will try his best.

Just like the original "Flower Thousand Bone" fire, the producer took the second part, but the result was rushed. The most exciting part, the producers are already starting to shoot, but the starring people have changed their blood collectively. Zhao Liying is absolutely taking the second part. After all, she has

the "You and My Allure" and "Ming Lan Chuan" and other plays. However, the netizen has revealed that the female lord has changed to a baby. It seems that this second part is definitely going to be ruined. Baby's acting is really not flattering, obviously can be a variety goddess, but he has to go to film; now in the variety show is being stunned, acting is even more unbearable, it is really awkward.

Although "Chu Qiao Chuan" is hot, but the main thing is that the starring people give strength, Zhao Liying needless to say, Lin update is a change of the image, become a cold male god, and finally let the audience GET to his handsome point. Dou Yu is a big outburst of acting, earning enough tears from the audience, especially these episodes, I am looking forward to him after the blackening. If "Chu Qiao Chuan 2" is really on the air, and it is really a baby to play Chu Qiao, it may not really be seen, because the audience always believes that "Zhao Liying will have no Chu Joe."
